Good morning Brad,

Our CD 04 CARE team will be at the first location on 09/18/2020 about 8:00 AM.

The CARE operations may be quick or quite slow depending on the number of homeless encampments present that day. Having said that, do you have other contact personnel that our ECIs could reach for proper coordination.

Thank you so much and please let me know how I could be of further assistance.

Hey Iva,

Looks like they will be conducting another graffiti removal underneath Cahuenga and 101 frwy.  
Can you inform the CARE4 team about this?

Hi all,

I just wanted to give you a heads-up that we are coordinating a graffiti removal service with the Office of Community Beautification this Friday, 9/18 at the Cahuenga/101 FWY underpass location. I was told that they like to begin their work right after the CARE team finishes their service, so I just wanted to check to see what approximate time they should arrive? Given that this location is first on the list, I assume 9am or so, but wanted to confirm.

Thanks,  
Brad

Hello Brad,

Re: Homeless encampment photos

Here are the photos of homeless encampments in my area.

- 1) 101 Frwy & Cahuenga Blvd offramp
- 2) Area with Graffiti on Cahuenga Blvd under 101 Frwy

For the graffiti - Could we coordinate a visit THIS week with Paul's crew and CARE Team?  
Please advise.
